To the members of The City of London Investment Trust plc

Dear Shareholder

1 Introduction

The City of London Investment Trust plc is convening a general meeting to be held at 10.00 a.m. on Friday, 18 June 2021. The sole purpose of the General Meeting will be to seek the approval of Shareholders for the renewal of the Directors' authority to allot Ordinary Shares on a non-pre-emptive basis up to a number of Ordinary Shares equivalent to 10 per cent. of the issued ordinary share capital of the Company. The purpose of this document is to provide you with the background to and details of the resolutions to be proposed at the General Meeting and to convene the General Meeting to seek your approval for the Resolutions. The notice convening the General Meeting is set out at the end of this document.

2 Background

The Board believes that the Manager continues to achieve successfully the Company's investment objective by providing Shareholders with long-term growth in income and capital through investing predominantly in larger companies listed on the London Stock Exchange.

The Board's aim is for the Company's share price to reflect closely its underlying net asset value and to have a liquid market in the Ordinary Shares. For this reason, the Board has, when appropriate, sought to utilise the Company's ability to issue additional Ordinary Shares to satisfy investor appetite and smooth share price volatility by preventing the build-up of excessive demand for the Ordinary Shares. By issuing the Ordinary Shares at a premium to net asset value, the Board has sought to protect the interests of existing Shareholders so they do not suffer any dilution to the net asset value per Ordinary Share, increase liquidity and spread the fixed costs of the Company over a larger asset base. The Board has also ensured that the price at which new Ordinary Shares are issued remains attractive to potential investors.

At the Company's annual general meeting held on 27 October 2020, the Company obtained Shareholder approval to disapply pre-emption rights on the issue of up to 10 per cent. of the then issued ordinary share capital (totalling 41,522,988 Ordinary Shares). Since then, and up to 14 May 2021, 27,720,000 new Ordinary Shares have been issued and 1,175,000 Ordinary Shares have been sold from treasury, raising a total of £107,749,000 (net of commissions) and there remains a residual authority to disapply pre-emption rights on the issue of 12,627,988 new Ordinary Shares.

Due to the Company's strong investment performance over the longer term and continuing investor demand even in current volatile markets, the Board believes that this current capacity under the existing Shareholder authorities is likely to prove insufficient to allow the Board to continue to satisfy demand for the Ordinary Shares during the period up to the Company's next annual general meeting. Renewing these authorities at the General Meeting will enable the Company to issue up to 44,412,488 new Ordinary Shares on a non-pre-emptive basis (being 10 per cent. of the issued ordinary share capital as at the date of this document) or, if higher, such number of new Ordinary Shares as is equal to 10 per cent. of the issued ordinary share capital at the date on which the Resolutions are passed. These new authorities will replace the residual authorities to disapply pre-emption rights on the issue of new Ordinary Shares taken at the Company's annual general meeting.

If the Resolutions are passed, the Directors will only use the authorities to disapply pre-emption rights and issue shares in circumstances where such issue can (i) be made at a premium to net asset value; (ii) meet demand from investors; and (iii) when the Directors believe that it is in the best interests of the Company and its Shareholders to do so. The costs of seeking fresh authorities are estimated to be £25,000 and will be charged to the share premium account.

The proceeds of any issue of new Ordinary Shares will be available for investment in line with the Company's investment objective and policy.

3 Action to be taken in respect of the General Meeting

In light of the UK Government's COVID-19 laws and advice that are likely to apply at the time of the General Meeting, the General Meeting will be held with a minimum number of essential attendees in person. If the advice changes and the Company is able to permit Shareholders to attend a physical meeting, Shareholders will be informed via the Company's website and an announcement to the Stock Exchange.

Shareholders will find enclosed with this document a personalised Form of Proxy for use at the General Meeting.

Shareholders are asked to complete and return the Form of Proxy, in accordance with the instructions printed thereon, to the Company's Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY so as to be received as soon as possible and, in any event, by no later than 10.00 a.m. on Wednesday, 16 June 2021. Given the uncertainty around whether Shareholders will be able to attend the General Meeting, Shareholders are strongly recommended to complete and return their proxy appointments, appointing the Chairman of the meeting as their proxy. This will ensure that Shareholders' votes are counted even if attendance at the General Meeting is restricted.

The Directors believe that in the interests of shareholder democracy it is important that the voting intentions of all members are taken into account, not just those who will be able to attend the General Meeting. Accordingly, voting on the Resolutions will be by way of a poll rather than a show of hands.

Recipients of this document who are the beneficial owners of Ordinary Shares or other voting securities in the capital of the Company held through a nominee should follow the instructions provided by their nominee or check with their professional adviser if no instructions have been provided.

As an alternative to completing and returning the printed Form of Proxy, you may submit your proxy electronically by accessing www.investorcentre.co.uk/eproxy. For security purposes, you will be asked to enter the control number, your shareholder reference number (SRN) and personal identification number (PIN) to validate the submission of your proxy online. The control number and members' individual SRN and PIN numbers are shown on the Form of Proxy. If you are a member of CREST, you may be able to use the CREST electronic proxy appointment service. Proxies sent electronically must be sent as soon as possible and, in any event, so as to be received no later than 10.00 a.m. on Wednesday, 16 June 2021 (or, in the case of an adjournment, no later than 48 hours before the time fixed for the holding of the adjourned meeting).

Shareholders can submit questions to the Board in advance of the General Meeting by email to ITSecretariat@janushenderson.com by no later than 14 June 2021. The Company will consider all questions received and provide a written response.

4 General

If Resolution 1 is passed at the General Meeting, the Company will be permitted to issue up to 44,412,488 new Ordinary Shares (with an aggregate nominal value of £11,103,122) or, if higher, such other amount as shall be equivalent to 10 per cent. of the issued ordinary share capital at the date of passing the resolution.

If Resolution 2 is passed at the General Meeting, the Company will be permitted to disapply pre-emption rights in respect of any new Ordinary Shares issued pursuant to the authority granted under Resolution 1.

The authorities conferred by the Resolutions, if passed, will lapse at the annual general meeting of the Company to be held in 2021.

Applications will be made to the FCA and the London Stock Exchange for any new Ordinary Shares to be issued pursuant to the authorities proposed to be granted at the General Meeting to be admitted to the premium listing segment of the Official List and to trading on the London Stock Exchange's main market for listed securities.

5 Recommendation

The Board considers that the proposals in this document are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Resolutions. The Directors intend to vote in favour of the Resolutions in respect of their own beneficial holdings of Ordinary Shares, amounting to 134,372 Ordinary Shares in aggregate (representing approximately 0.03 per cent. of the issued ordinary share capital of the Company as at the date of this document).

Yours sincerely

Sir Laurie Magnus
Chairman

Notes to the Notice of General Meeting

These notes should be read in conjunction with the notes on the Form of Proxy.

1. Voting record date

Only members registered in the Register of Members of the Company at close of business on Wednesday, 16 June 2021 or, if the General Meeting is adjourned, at close of business on the day two days prior to the adjourned meeting, shall be entitled to attend, speak and vote at the General Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after close of business on Wednesday, 16 June 2021 shall be disregarded in determining the rights of any person to attend and vote at the General Meeting.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

2. Right to attend and vote

Holders of Ordinary Shares, First Preference Stock and Preferred Ordinary Stock are entitled to attend, speak and vote on a poll or show of hands. On a poll, holders of:

- (a) Ordinary Shares have one vote for every 15 shares;
- (b) First Preference Stock have one vote for every £10 of stock held; and
- (c) Preferred Ordinary Stock have one vote for every £20 of stock held.

In light of the UK Government's COVID-19 laws and advice that are likely to apply at the time of the General Meeting, the General Meeting will be held with a minimum number of essential attendees in person. If the advice changes and the Company is able to permit Shareholders to attend a physical meeting, Shareholders will be informed via the Company's website and an announcement to the Stock Exchange.

3. Holders of second preference stock

This notice is sent for information only to holders of the non-cumulative 4.2% second preference stock issued by the Company, who are not entitled to attend, speak or vote at the meeting.

4. Right to appoint proxies

Pursuant to Section 324 of the Companies Act 2006 (the "Act"), a member entitled to attend, speak and vote at the General Meeting may appoint one or more proxies to attend, speak and vote in their place, provided that each proxy is appointed to exercise the rights attached to different shares held by him or her. A proxy need not be a member of the Company.

A Form of Proxy is enclosed. The return of a completed Form of Proxy or other form of proxy appointment will not prevent a member attending the General Meeting and voting

in person if the member wishes to do so, should this be permitted under applicable COVID-19 restrictions. **Given the uncertainty around whether Shareholders will be able to attend the General Meeting, Shareholders are strongly recommended to complete and return their proxy appointments, appointing the Chairman of the meeting as their proxy. This will ensure that Shareholders' votes are counted even if attendance at the General Meeting is restricted.**

If the total number of voting rights that the Chairman will be able to vote (taking into account any proxy appointments from members over which he is given discretion and any voting rights in respect of his own shares) is such that he will have a notifiable obligation under the Disclosure Guidance and Transparency Rules ("DTRs") of the FCA, the Chairman will make the necessary notifications to the Company and to the FCA. Therefore, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the DTRs, need not make a separate notification to the Company and to the FCA. However, any member holding 3 per cent. or more of the voting rights in the Company who appoints a person other than the Chairman as proxy will need to ensure that both the member and the proxy comply with their respective disclosure obligations under the DTRs.

Section 324 does not apply to persons nominated to receive information rights pursuant to Section 146 of the Act. Persons nominated to receive information rights under Section 146 of the Act have been sent this notice of General Meeting and are hereby informed, in accordance with Section 149(2) of the Act, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they have such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

The statement of rights of members in relation to the appointment of proxies in this paragraph does not apply to nominated persons.

5. Proxies' rights to vote at the General Meeting

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote "for" or "against" as applicable. If a proxy is appointed by more than one member, but such members have given

Notes to the Notice of General Meeting

Continued

different voting instructions, the proxy may, on a show of hands, vote both “for” and “against” in order to reflect the different voting instructions.

On a poll, all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, Section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

6. Voting by corporate representatives

Corporate representatives are entitled to attend, speak and vote on behalf of the corporate member in accordance with Section 323 of the Act provided they do not do so in relation to the same shares.

7. Receipt and termination of proxies

To be valid, the enclosed Form of Proxy must be lodged with the Company’s Registrar (Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY) before 10.00 a.m. on Wednesday, 16 June 2021 (or, in the case of an adjournment, no later than 48 hours before the time fixed for the holding of the adjourned meeting).

As an alternative to completing and returning the printed Form of Proxy, you may submit your proxy electronically by accessing www.investorcentre.co.uk/eproxy. For security purposes, you will be asked to enter the control number, your shareholder reference number (SRN) and personal identification number (PIN) to validate the submission of your proxy online. The control number and members’ individual SRN and PIN numbers are shown on the Form of Proxy.

To be valid proxies must be received no later than 10.00 a.m. on Wednesday, 16 June 2021 (or, in the case of an adjournment, no later than 48 hours before the time fixed for the holding of the adjourned meeting). A member may terminate a proxy’s authority at any time before the commencement of the General Meeting. Termination must be provided in writing and submitted to the Company’s Registrar.

In accordance with the Company’s Articles of Association, in determining the time for delivery of proxies, no account shall be taken of any part of a day that is not a working day.

8. Communication with the Company

Members may not use any electronic address provided either in the notice of General Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.

9. Electronic receipt of proxies via CREST

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the

CREST system, CREST messages must be received by the Company’s agent (ID number 3RA50) no later than the deadline specified in Note 7. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer’s agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Instructions on how to vote through CREST can be found on the website www.euroclear.com.

10. Questions at the General Meeting

Any member attending the General Meeting has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the General Meeting which relates to the business of the meeting, although no answer need be given: if to do so would interfere unduly with the proceedings of the General Meeting or involve disclosure of confidential information; if the answer has already been given on the Company’s website; or if it is undesirable in the best interests of the Company or the good order of the General Meeting that the question be answered.

Shareholders can submit questions to the Board in advance of the General Meeting by email to ITSecretariat@janushenderson.com by no later than 14 June 2021. The Company will consider all questions received and provide a written response.

11. Website

A copy of this notice, including these explanatory notes and other information required by Section 311A of the Act, is available from the Company’s website, www.cityinvestmenttrust.com.

12. Total voting rights

As at 14 May 2021 (being the last practicable date prior to the publication of this notice) the Company’s total voting rights comprised:

- (a) 444,124,868 Ordinary Shares, representing 29,608,324 votes;
- (b) £301,982 of First Preference Stock, representing 30,198 votes;
- (c) £589,672 of Preferred Ordinary Stock, representing 29,484 votes.

Therefore, the total number of voting rights in the Company as at 14 May 2021 was 29,668,006. At the date of this document there were no Ordinary Shares held in treasury.
