12. Mandatory risk disclosure for South African investors

Collective Investment Schemes in Securities (CIS) should be considered as medium to long-term investments. The value may go up as well as down and past performance is not necessarily a guide to future performance. CISs are traded at the ruling price and can engage in scrip lending and borrowing. A schedule of fees, charges and maximum commissions is available on request from the Manager. There is no guarantee in respect of capital or returns in a portfolio. A CIS may be closed to new investors in order for it to be managed more efficiently in accordance with its mandate. Performance has been calculated using net NAV to NAV numbers with income reinvested. Where foreign securities are included in a portfolio there may be potential constraints on liquidity and the repatriation of funds, macroeconomic risks, political risks, foreign exchange risks, tax risks, settlement risks; and potential limitations on the availability of market information. The investor acknowledges the inherent risk associated with the selected investments and that there are no guarantees.

15. Amendments to the Terms and Conditions

The Company reserves the right at any time to modify these Terms and Conditions. The Company shall inform the applicant(s) in writing (which may include making the updated Terms and Conditions available on the website www.janushenderson.com or by other means) of all amendments to these Terms and Conditions by providing 30 calendar days' prior notice. Such modifications shall be deemed to be accepted by the applicant(s) if the applicant(s) does not raise any objection in writing to the proposed amendments, within such 30 calendar day period.

16. Severance

If any provision or clause of these Terms and Conditions is or becomes void or unenforceable in whole or in part for any reason such enforceability or invalidity shall not affect the validity of the remaining Terms and Conditions. Control

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is identified as exercising control of the Entity, the Controlling Person(s) of the Entity will be the natural person(s) who holds the position of senior managing official.
