Dear Shareholders

PROPOSED ISSUE OF UP TO 28 MILLION NEW ORDINARY SHARES IN CONNECTION WITH THE RECOMMENDED PROPOSALS FOR THE RECONSTRUCTION AND WINDING-UP OF THE ESTABLISHMENT INVESTMENT TRUST PLC

Background

On 12 April 2019, the Company announced that it had agreed heads of terms for the Company to be the default rollover option on the liquidation of The Establishment Investment Trust plc (“EIT”) to be effected by way of a scheme of reconstruction and winding-up of EIT.

EIT is a UK domiciled investment trust with a net asset value as at 31 May 2019 of approximately £43.7 million and a market capitalisation as at that date of approximately £41.0 million.

I am writing to you to provide details of the Proposals and the Company’s proposed participation in the recommended scheme of reconstruction of EIT (the “EIT Scheme”).

The following sections of this letter explain the details and benefits of the Proposals and the reasons why you are recommended to vote in favour of the Resolution to be proposed at the General Meeting. Your attention is directed in particular to the sections entitled “Risks associated with the Proposals” and “Action to be taken” on page 7 of this document.

The Proposals are conditional upon, amongst other things, the approval of the Resolution by Shareholders at the General Meeting and the EIT Scheme being approved by EIT Shareholders and becoming effective.

A notice convening the General Meeting for 2.30 p.m. on 10 July 2019 to be held at the registered office of the Company at 201 Bishopsgate, London EC2M 3AE is set out at the end of this document. The Resolution which will be proposed at the General Meeting will be an ordinary resolution to obtain authority, required in accordance with the Act, to authorise the Directors to allot the New Ordinary Shares to be issued to EIT Shareholders who will roll over their investment in EIT into the Company.

The Proposals

Pursuant to the terms of the EIT Scheme, EIT will be wound up by means of a members’ voluntary liquidation and EIT Shareholders may elect to: (i) have their investment in EIT rolled over into the Company; (ii) have their investment in EIT rolled over into Garraway Asian Centric; (iii) receive cash in respect of their investment in EIT; or (iv) any combination of the above. EIT Shareholders who do not make an election under the EIT Scheme will be deemed to have elected to roll their investment into the Company.

If the Proposals are implemented, the Company will acquire cash and other assets of EIT (other than those appropriated to the Liquidation Pool, the Garraway Rollover Pool and the Cash Pool). The consideration for such acquisition will be satisfied by the issue of New Ordinary Shares to EIT Shareholders who elect (or are deemed to elect) to receive such shares.

The number of New Ordinary Shares to be issued will be calculated by reference to the respective net asset values per share of each of EIT and the Company.

The assets of EIT to be acquired by the Company pursuant to the Proposals will include shares, securities, cash and near cash assets. As at the Latest Practicable Date, EIT had unaudited net assets of approximately £43.7 million.

As a result of the EIT Scheme the Company's market capitalisation should increase, which is expected to enable the Company to attract a wider range of investors which should, in turn, improve liquidity in the Ordinary Shares. In addition, the fixed costs of the Company will be spread over a larger pool of assets resulting in lower Ongoing Charges.

The Issue has not been underwritten.

Conditions of the Proposals

The Issue is conditional upon:

- a continuation vote of EIT not being passed at the EIT AGM;
- the passing of the resolutions to approve the EIT Scheme at general meetings of EIT Shareholders and upon any conditions of such resolutions being fulfilled;
- the passing of the Resolution at the General Meeting which has been convened for 10 July 2019;
- admission of the New Ordinary Shares to the Official List with a premium listing and to the Main Market; and
- the directors of EIT resolving to proceed with the EIT Scheme.

Costs and expenses of the Proposals

Henderson Investment Funds Limited has agreed to contribute 18 months of management fees on the funds that roll over from EIT to the Company (the "**HINT Manager Contribution**"). The HINT Manager Contribution will be used first to defray the Company's costs in relation to the Proposals with any balance (the "**HINT Manager Contribution Excess**") being allocated to the HINT Rollover Pool for the benefit of those Shareholders that elect to receive New Ordinary Shares. The HINT Manager Contribution will be calculated once elections are known.

The costs and expenses of the Proposals incurred by the Company, save for the costs of posting this document to EIT Shareholders which will be borne by EIT, will be borne by the Company. In the event that the EIT Scheme becomes effective, these costs are expected to be offset by the HINT Manager Contribution.

On the assumption that £20 million of New Ordinary Shares are issued, the costs incurred by the Company are expected to be approximately £178,000, including VAT. The HINT Manager Contribution will be £180,000 and therefore no costs will be borne by the Company. The HINT Manager Contribution Excess will be approximately £2,000.

The HINT Manager Contribution is calculated based on the value of the funds that roll over from EIT to the Company. Therefore, in the event that the EIT Scheme does not become effective, the costs of the Proposals will be borne by the Company.

New Ordinary Shares to be issued

The number of New Ordinary Shares to be issued to the Liquidators pursuant to the EIT Scheme (as nominees for EIT Shareholders) will be calculated by reference to the Residual Net Asset Value per EIT Share (which shall be adjusted for any HINT Manager Contribution Excess) and the HINT FAV per Share.

EIT shareholders who elect to roll over all or part of their investment into HINT will be entitled to receive in New Ordinary Shares the Residual Net Asset Value per EIT Share, adjusted to include any HINT Manager Contribution Excess, in respect of their election (subject to rounding down in respect of fractional entitlements). The Residual Net Asset Value per EIT Share for these purposes is an amount equal to the EIT NAV at the Calculation Date minus the Retention after providing for the liabilities to be discharged out of the Liquidation Pool, divided by the number of EIT Shares in issue as at the Calculation Date.

The HINT FAV per Share is an amount equal to the formula asset value of an Ordinary Share, being the value of the Company's assets less any liabilities it has (which, for the avoidance of doubt, includes a

deduction for any dividends declared but not paid to Shareholders prior to the Effective Date), calculated in accordance with the Company's normal accounting policies, on a cum-income debt at fair value basis, post the costs of the Proposals to the Company (but not tax or dealing costs) and adjusted to take into account the portion of the HINT Manager Contribution used to defray the Company's costs in connection with the Proposals, divided by the number of Ordinary Shares in issue.

The New Ordinary Shares to be issued to EIT Shareholders pursuant to the Proposals will rank *pari passu* with the existing Ordinary Shares already in issue except that EIT Shareholders are not entitled to any dividend in respect of the Ordinary Shares declared by the Company prior to the Effective Date (even if such dividend is to be paid on a date that is after the Effective Date, when EIT Shareholders will have received New Ordinary Shares pursuant to the EIT Scheme).

The number of New Ordinary Shares to be issued pursuant to the EIT Scheme and the HINT FAV per Share will be announced through a Regulatory Information Service as soon as practicable following the Calculation Date.

For illustrative purposes only, had the Calculation Date been 31 May 2019, the HINT FAV per Share and the Residual Net Asset Value per EIT Share would have been 156.4 pence and 215.5 pence, respectively and the Proposals would have resulted in the issue of 1,377 New Ordinary Shares for 1,000 EIT Shares.

The above figures are for illustrative purposes only and do not represent forecasts. It has been assumed that the HINT Manager Contribution covers the Company's costs in their entirety in connection with the Proposals and there is no HINT Manager Contribution Excess. The HINT FAV per Share and the Residual Net Asset Value per EIT Share and EIT Shareholders' entitlements under the Proposals may change materially up to the Transfer Date as a result of, amongst other things, changes in the values of the Company's and EIT's investments.

Transfer Agreement

Pursuant to letters of undertaking from: (i) the Liquidators to each of the Company and EIT, each dated on or around 10 June 2019; and (ii) the Company to EIT and the Liquidators dated on or around 10 June 2019, the Liquidators and the Company have each irrevocably undertaken (subject to certain conditions) to enter into a transfer agreement (the "**Transfer Agreement**") between the Company, the Liquidators and EIT in connection with the EIT Scheme. Under the terms of the Transfer Agreement, a pool of EIT's assets will be transferred to the Company in consideration for the allotment by the Company of the New Ordinary Shares to the Liquidators (as nominees for EIT Shareholders entitled to them in accordance with the EIT Scheme). Thereafter, the Liquidators will renounce the allotments of the New Ordinary Shares in favour of EIT Shareholders who have elected (or are deemed to have elected) to receive New Ordinary Shares, and such New Ordinary Shares will be issued by the Company to those EIT Shareholders pursuant to the EIT Scheme.

The Transfer Agreement excludes any liability on the part of the Liquidators for entering into or carrying into effect the Transfer Agreement.

Dividends

The Directors have declared the third interim dividend for the period to 31 August 2019 on 7 June 2019, with a record date prior to the Effective Date, so that holders of New Ordinary Shares will not be entitled to such dividend.

The Board

It is intended that the Directors will remain as the Board of the enlarged entity.

Benefits of the Proposals

The Directors believe that the Proposals will have the following benefits:

- as a result of the EIT Scheme, the Company's market capitalisation should increase, which is expected to enable the Company to attract a wider range of investors which should, in turn, improve liquidity in the Ordinary Shares;
- the fixed costs of the Company will be spread over a larger pool of assets, resulting in lower Ongoing Charges; and

- in the event that the EIT Scheme becomes effective, the HINT Manager Contribution should cover the Company's costs in connection with the Proposals.

Risks associated with the Proposals

The implementation of the Proposals is subject to a number of conditions and there is no certainty that the Proposals will become effective. In the event that the Proposals do not become effective, the Company will not acquire assets of EIT and will be required to meet costs of approximately £32,000, including VAT.

New Ordinary Shares will be issued to EIT Shareholders who elect (or are deemed to elect) to receive such shares on the basis of the respective net asset values per share of each of EIT and the Company. The HINT FAV per Share and the Residual Net Asset Value per EIT Share may be lower or higher than the illustrative figures used in this document.

On the Proposals becoming effective, each Shareholder's proportion of the total voting rights in the capital of the Company will be diluted.

Admission and dealings

Application will be made to the Financial Conduct Authority for the New Ordinary Shares to be admitted to the premium segment of the Official List. Application will also be made to the London Stock Exchange for the New Ordinary Shares to be admitted to trading on the Main Market. If the Proposals become effective, it is expected that the New Ordinary Shares will be admitted to the Official List on, and the first day of dealings in such shares on the Main Market will be, 19 July 2019.

The New Ordinary Shares will be in registered form. Temporary documents of title will not be issued. The ISIN of the Ordinary Shares is GB00B3PHCS86. EIT Shareholders who hold their EIT Shares in uncertificated form and who elect (or are deemed to elect) to receive Ordinary Shares will receive New Ordinary Shares in uncertificated form on 19 July 2019. Certificates in respect of New Ordinary Shares to be issued to EIT Shareholders who hold their EIT Shares in certificated form and who elect (or are deemed to elect) to receive New Ordinary Shares will be despatched in the week commencing 22 July 2019.

Fractional entitlements to New Ordinary Shares pursuant to the EIT Scheme will not be issued pursuant to the Proposals and entitlements will be rounded down to the nearest whole number.

General Meeting

The Company's participation in the EIT Scheme and the Proposals are conditional, amongst other things, upon approval of the Resolution by Shareholders. The General Meeting has been convened to seek the necessary Shareholder approval. You will find set out at the end of this document a notice convening the General Meeting which will be held at 2.30 p.m. on 10 July 2019 at the registered office of the Company at 201 Bishopsgate, London EC2M 3AE.

The Resolution to be proposed at the General Meeting will be proposed as an ordinary resolution. This means that a simple majority of the votes cast on the Resolution must be cast in favour for it to be passed.

The Resolution is subject to, and conditional upon, the EIT Scheme becoming unconditional in all respects (other than as regards any condition that the Resolution is passed). Shareholders are being asked to authorise the Directors to allot the maximum number of Ordinary Shares which may be issued in connection with the EIT Scheme, being up to 28 million Ordinary Shares, having an aggregate nominal value of £280,000, which represents approximately 15.6 per cent. of the Company's issued ordinary share capital (excluding treasury shares) as at the date of this document, in connection with the EIT Scheme.

This authority, if granted, will lapse at the conclusion of the Company's annual general meeting to be held in 2019.

As at the Latest Practicable Date, the Company held no Ordinary Shares in treasury.

Action to be taken

Shareholders will find enclosed with this document a personalised Form of Proxy for use at the General Meeting. Shareholders are asked to complete and return the Form of Proxy in accordance with the instructions printed thereon to the Company's registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to be received as soon as possible and, in any event, by no later than 2.30 p.m. on 8 July 2019. Shareholders are requested to complete and return a Form of Proxy whether

or not they wish to attend the General Meeting. The return of a Form of Proxy will not prevent Shareholders from attending the General Meeting and voting in person should they so wish.

Recipients of this document who are the beneficial owners of Ordinary Shares held through a savings scheme or through an ISA should follow the instructions provided by the relevant plan manager or consult the plan manager or their professional adviser if no instructions have been provided.

Consent

Panmure Gordon (UK) Limited has given and not withdrawn its written consent to the issue of this document with the inclusion of its name and references to it in the form and context in which they appear.

Recommendation

The Board considers the Resolution to be proposed at the General Meeting to be in the best interests of Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Resolution which the Directors intend to do in respect of their own beneficial holdings which amount in aggregate to 450,892 Ordinary Shares (representing approximately 0.25 per cent. of the Company's issued Ordinary Shares).

Yours faithfully,

Simon Jeffreys

Chairman

Dated: 10 June 2019

Notes:

These notes should be read in conjunction with the notes on the Form of Proxy.

1. Voting record date

Only members registered in the Register of Members of the Company at 6.00 p.m. on 8 July 2019 shall be entitled to attend and vote at the General Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after 6.00 p.m. on 8 July 2019 shall be disregarded in determining the rights of any person to attend and vote at the General Meeting.

If the General Meeting is adjourned for no more than 48 hours after the original time, the same voting record date will also apply for the purpose of determining the entitlement of members to attend, speak and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If the General Meeting is adjourned for more than 48 hours, then the voting record date will be the close of business on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders of a voting right, the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

2. Rights to attend and vote

Members are entitled to attend and vote at the forthcoming General Meeting or at any adjournment(s) thereof. On a poll each member has one vote for every one share held.

3. Right to appoint proxies

Pursuant to Section 324 of the Companies Act 2006 (the “**Act**”), a member entitled to attend and vote at the General Meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company.

A Form of Proxy is enclosed. The completion of the Form of Proxy or any CREST proxy instruction (as described in Note 8) will not preclude a shareholder from attending and voting in person at the General Meeting.

If the total number of voting rights that the Chairman will be able to vote (taking into account any proxy appointments from shareholders over which he is given discretion and any voting rights in respect of his own shares) is such that he will have a notifiable obligation under the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority, the Chairman will make the necessary notifications to the Company and to the Financial Conduct Authority. Therefore, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and to the Financial Conduct Authority. However, any member holding 3 per cent. or more of the voting rights in the Company who appoints a

person other than the Chairman as proxy will need to ensure that both the member and the proxy comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules. Section 324 does not apply to persons nominated to receive information rights pursuant to Section 146 of the Act. Persons nominated to receive information rights under Section 146 of the Act have been sent this Notice of Meeting and are hereby informed, in accordance with Section 149(2) of the Act, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this Meeting. If they have such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements. The statement of rights of shareholders in relation to the appointment of proxies in this paragraph does not apply to nominated persons.

4. Proxies' rights to vote at the General Meeting

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote "for" or "against" as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, the proxy may, on a show of hands, vote both "for" and "against" in order to reflect the different voting instructions.

On a poll, all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, Section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Act provided they do not do so in relation to the same shares.

6. Receipt and termination of proxies

To be valid the enclosed Form of Proxy must be lodged with the Company's Registrar (Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY) before 2.30 p.m. on 8 July 2019.

A member may terminate a proxy's authority at any time before the commencement of the General Meeting. Termination must be provided in writing and submitted to the Company's Registrar. In accordance with the Company's Articles of Association, in determining the time for delivery of proxies, no account shall be taken of any part of a day that is not a working day.

7. Communication with the Company

Members may not use any electronic address provided either in the Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.

8. Electronic receipt of proxies

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the Company's agent (ID number 3RA50) no later than the deadline specified in Note 6. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. Instructions on how to vote through CREST can be found on the website www.euroclear.com.

9. Questions at the General Meeting

Any member attending the General Meeting has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the General Meeting which relates to the business of the General Meeting, although no answer need be given:

- (a) if to do so would interfere unduly with the proceedings of the General Meeting or involve disclosure of confidential information;
- (b) if the answer has already been given on the Company's website; or
- (c) if it is undesirable in the best interests of the Company or the good order of the General Meeting that the question be answered.

10. Website

A copy of the Notice of the General Meeting, including these explanatory notes and other information required by Section 311A of the Act, is included on the Company's website, www.hendersoninternationalincometrust.com.

11. Total voting rights at date of notice

As at 6 June 2019 (being the last practicable date prior to the publication of this Notice) the total number of shares in the Company in issue is 179,281,306. The total number of voting rights on that date is therefore 179,281,306.
