NOTICE TO SHAREHOLDERS
(the “Notice”)

18 December 2025

Dear Shareholder,

We are writing to inform you of the changes we are making to the *Janus Henderson Horizon Global Sustainable Equity Fund* (the “Fund”), which is summarised below and will be effective on or around 20 January 2026 (the “Effective Date”).

Addition of a new binding element for the Janus Henderson Horizon Global Sustainable Equity Fund under the SFDR pre-contractual disclosures

For the purpose of retaining the Fund’s existing Label ISR¹ compliance status, from the Effective Date, the following binding element will be added to the Fund’s SFDR pre-contractual disclosures, under the section titled “*What are the binding elements of the investment strategy used to select the investments to attain the sustainable investment objective?*”:

“In addition, the Investment Manager aims to maintain a lower hazardous waste ratio compared to that of the MSCI World Index. The hazardous waste ratio is measured as the weighted average of the total hazardous waste (in tonnes) generated from each investee company’s operations, relative to the total value of the investee companies (including cash), per million in USD.”

There will be no impact on the Fund’s portfolio as a result of this change.

You are not required to take any action as a result of the change stated in this section, as it is only for your information.
