

HORIZON GLOBAL HIGH YIELD BOND FUND

Active global high yield from capital structure experts

A high yield fund that actively seeks to generate competitive risk-adjusted returns, principally through strong security selection combined with a focus on top-down beta management. The fund adopts an ESG focused, research-first mentality on both macro and security selection risks.

Why invest in the fund

Repeatable, active approach

Active management of beta and portfolio composition throughout the credit cycle.
Categorisation of risk and return characteristics of each security in portfolios.

Research driven

Analysts cover issuers across the full capital structure and are ESG focused, ensuring a complete picture of fundamentals.
Co-ownership of risk exists between portfolio managers and analysts.

Globally aligned

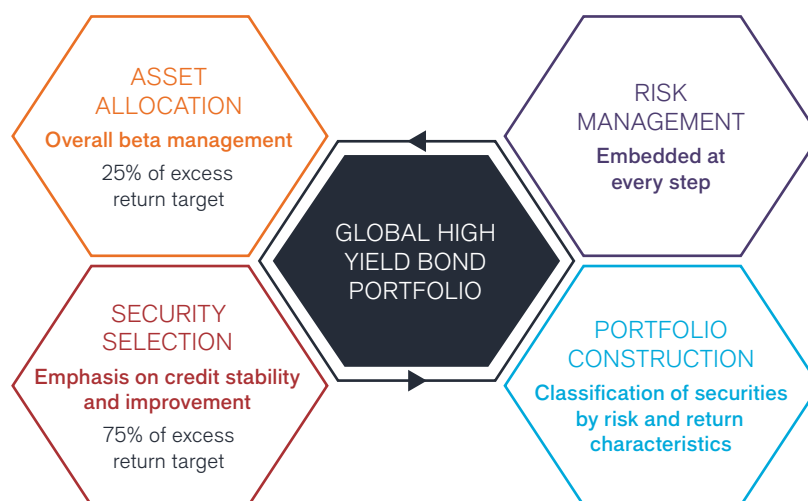

One team across two investment centres with co-portfolio managers in London and Denver.
Integrated global research team, pursuing the best global risk-adjusted return opportunities.

Robust risk management

Minimise downside risk and emotional bias through a stop-loss process.
Utilisation of off benchmark sectors to diversify portfolio risk.

Transparent, risk-controlled and repeatable process

Note: There is no assurance the stated objectives will be met.

Important Information: The investments underlying this financial product (referred to as the Fund) do not take into account the EU criteria for environmentally sustainable economic activities. While the analysis of ESG factors is an integral component across the Investment Manager's investment capabilities, the Investment Manager does not maximise portfolio alignment with sustainability risks as a separate goal in its own right nor does it precisely attribute the impact of ESG factors on returns for the Fund. This document is intended solely for the use of professionals and is not for general public distribution. Any investment application will be made solely on the basis of the information contained in the Fund's prospectus (including all relevant covering documents), which will contain investment restrictions. This document is intended as a summary only and potential investors must read the Fund's prospectus and key investor information document before investing. A copy of the Fund's prospectus and key investor information document can be obtained from Henderson Global Investors Limited in its capacity as Investment Manager and Distributor. We may record telephone calls for our mutual protection, to improve customer service and for regulatory record keeping purposes. Past performance is not a guide to future performance. The performance data does not take into account the commissions and costs incurred on the issue and redemption of units. The value of an investment and the income from it can fall as well as rise and you may not get back the amount originally invested. Tax assumptions and reliefs depend upon an investor's particular circumstances and may change if those circumstances or the law change. If you invest through a third party provider you are advised to consult them directly as charges, performance and terms and conditions may differ materially. The securities included in this document are not registered in the Foreign Securities Registry of the Superintendencia de Valores y Seguros for public offering and, therefore, the use of this document is only for general information purposes. Nothing in this document is intended to or should be construed as advice. This document is not a recommendation to sell or purchase any investment. It does not form part of any contract for the sale or purchase of any investment. The Fund is a recognised collective investment scheme for the purpose of promotion into the United Kingdom. Potential investors in the United Kingdom are advised that all, or most, of the protections afforded by the United Kingdom regulatory system will not apply to an investment in the Fund and that compensation will not be available under the United Kingdom Financial Services Compensation Scheme.
