

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of managing and distributing it. These charges reduce the potential growth of your investment.

If you invest through a third party provider you are advised to consult them directly as charges, performance and terms and conditions may differ materially to those shown in this document.

One-off charges taken before or after you invest*

Entry Charge 5.00%

Exit Charge 0.00%**

* The charges shown are maximum figures. In some cases you may pay less.

** Subject to a charge of up to 1.00% where the Manager suspects excessive trading by an investor (and specifically on subscriptions held for less than 90 days).

Charges taken from the Fund over a year

Ongoing Charges 1.88%

Past performance

The ongoing charges are based on last year's expenses for the year ending 31 December 2019. Ongoing charges may vary from year to year.

The figure for ongoing charges excludes portfolio transaction costs, except in the case of an initial charge paid by the Fund when buying shares or units in another fund.

Charges taken from the Fund under certain specific conditions

Performance fee 10.00%*

*10% of any returns that, subject to a High Water Mark, the Fund achieves above the Russell/Nomura Small Cap Index. The actual amount charged in the Fund's last financial year amounted to 0.00%. Performance fees may be charged before the Fund's outperformance target is reached.

For more information please see the Fund Prospectus.

The past performance is calculated in EUR.

The Fund was launched in August 1985 and the share class was launched in May 2017.

The past performance shown in the chart takes into account all charges except one-off charges.

Past performance is not a guide to future performance.

Please note that while the Fund aims to achieve its performance target before the deduction of charges, the chart and table illustrate the actual performance of the Share Class after the deduction of charges.

The share class currency is different to the base currency of the Fund and its chosen benchmark. Past performance for this share class includes currency hedging which is not reflected in the performance of the benchmark.

The Fund does not aim to track the performance of the index.
