Dear Valued Unitholder,

**NOTICE OF MEETING OF UNITHOLDERS – RATIONALISATION OF FEEDER FUND STRUCTURE  
JANUS HENDERSON GLOBAL SELECT FUNDS (THE “FUND”)  
– JANUS HENDERSON ASIA-PACIFIC PROPERTY EQUITIES FUND (THE “SUB-FUND”)**

We are writing in relation to your investment in the Sub-Fund, a feeder fund that feeds into the Luxembourg-domiciled Janus Henderson Horizon Fund – Asia-Pacific Property Equities Fund (the “**Underlying Fund**”). The Underlying Fund is recognised by the Monetary Authority of Singapore.

In an effort to reduce fees for clients and streamline product offerings, we, as managers of the Sub-Fund (the “**Manager**”), are proposing to terminate the Sub-Fund and merge any **eligible** proceeds into the Underlying Fund as described below. This will remove fees associated with the additional layer of the master-feeder fund structure and achieve economies of scale as both funds invest in the same investment strategy. We hope that you will agree with the proposed changes below and look forward to your response regarding your investment. Please refer to *Appendix A* for a comparison of the Sub-Fund and the Underlying Fund.

We are inviting you to consider and approve the following proposals:

- i. **Amend** the Deed<sup>1</sup> to provide for the automatic exchange described in (iii) below.
- ii. **Terminate** the Sub-Fund on **7 February 2020**, or such later date as we may, in consultation with BNP Paribas Trust Services Singapore Limited (the “**Trustee**”) determine (the “**Effective Date**”).
- iii. After termination, **automatically exchange** the **Eligible Units**<sup>2</sup> of the Sub-Fund for A3 SGD class shares of the Underlying Fund of equivalent value (the “**Automatic Exchange**”). **Ineligible Units**<sup>3</sup> will not participate in the Automatic Exchange and Unitholders of Ineligible Units will receive liquidation proceeds in proportion to their interests in the Sub-Fund after termination of the Sub-Fund. You will not be liable for any exchange fee, initial sales charge, realisation charge, or liquidation charge in relation to the Automatic Exchange or payment of liquidation proceeds.

Please find the following documents enclosed:

- Appendix A: Comparison of the Sub-Fund and Underlying Fund, an explanatory diagram to determine if you hold Eligible or Ineligible Units and a list of Frequently Asked Questions relating to the proposed changes
- Appendix B: Notice of Meeting of Unitholders of the Sub-Fund
- Appendix C: Voting Proxy Form
- Appendix D: Schedule of proposed modifications to the Deed

<sup>1</sup> “**Deed**” means the Deed of Trust dated 24 May 1999, as amended and supplemented, constituting the Fund.

<sup>2</sup> “**Eligible Units**” are Units in the Sub-Fund held by Cash Unitholders beneficially through a distributor’s nominee account as at 31 January 2020.

- i) “**Cash Unitholders**” are Unitholders who had subscribed via cash and CPF15 Unitholders.
- ii) “**CPF15 Unitholders**” are Unitholders who had subscribed through the Central Provident Fund (“**CPF**”) Investment Scheme (“**CPFIS**”) monies who have been converted into registered Unitholders pursuant to section 15 of the CPF Act, Chapter 36 of Singapore.

<sup>3</sup> “**Ineligible Units**” are Units held by:

- i) Unitholders who had subscribed using CPFIS monies but excludes CPF15 Unitholders (“**CPFIS Unitholders**”);
- ii) Unitholders who had subscribed using Supplementary Retirement Scheme (“**SRS**”) monies; and
- iii) Cash Unitholders who as at 31 January 2020 still hold their Units directly as a registered Unitholder instead of beneficially through a distributor’s nominee account.

## **Unitholder Types**

### **Cash Unitholders**

**Eligible Units:** If you hold Eligible Units through a distributor, should the resolution pursuant to our proposals be passed, your Units in the Sub-Fund will be automatically exchanged for shares of the Underlying Fund and will continue to be held with your distributor. As you hold Units of the Sub-Fund through a distributor, and your Units in the Sub-Fund are registered in the name of the distributor, please note that you will not be able to attend, or vote at, the meeting unless your distributor appoints you as its proxy in relation to your Units. Please contact your distributor to make the necessary arrangements if you wish to attend, or vote at, the meeting.

You may instruct your distributor to vote on your Units in a manner instructed by you by returning the enclosed proxy form or via an alternative arrangement. Please contact your distributor to make the necessary arrangements. Your distributor may require the proxy form in advance of 9 a.m. on 25 November 2019.

Your distributor will have to execute the enclosed proxy form and deposit it before the deadline of 9 a.m. on 25 November 2019.

**Ineligible Units:** If you receive quarterly holding statements directly from Janus Henderson Investors on Janus Henderson Investors letterhead addressed to you, you are holding Ineligible Units. Should the resolution be passed, you will need to urgently transfer your Units to a nominee account with a distributor before 31 January 2020 to participate in the Automatic Exchange. Alternatively, you may contact your distributor for verification. If not transferred before 31 January 2020, you will receive liquidation proceeds upon termination instead.

### **CPFIS Unitholders & SRS Unitholders**

As the Underlying Fund is not included under the Central Provident Fund Investment Scheme (“**CPFIS**”) or Supplementary Retirement Scheme (“**SRS**”), CPFIS Units & SRS Units are ineligible for the Automatic Exchange and you will receive liquidation proceeds upon termination. Should the resolution pursuant to our proposals be passed, you will be provided with a period to switch your holdings to other schemes included under CPFIS or SRS (as may be applicable). During this period, no switching fee will be imposed by us and all transaction costs, including CPF/SRS agent bank fees, will be borne by us. Further details will be provided to you when we notify you of the outcome of the meeting of Unitholders.

## **Notice of Meeting**

The terms of the extraordinary resolution for the purposes of approving:

- (i) the relevant amendments to the Deed are set out in the schedule (please see *Appendix D*) and notice of the meeting of Unitholders (the “**Notice of Meeting**”) (please see *Appendix B*);
- (ii) the termination of the Sub-Fund; and
- (iii) the Automatic Exchange.

A proxy form to enable your vote to be counted at the meeting if you are unable to attend in person is attached to the Notice of Meeting (please see *Appendix C*). You are urged to **complete and return** this proxy form as soon as possible so that it will arrive at the Manager’s office at 138 Market Street, #34-03/04, Singapore 048946, no later than **9 a.m. on 25 November 2019**. We have enclosed a self-addressed envelope for this purpose.

Duly completed proxy forms received prior to such deadline will be valid for the meeting and any adjourned meeting. Submission of a proxy form will not prevent you from attending and voting at the meeting in person if you wish.

The proposed timeline for this exercise is as follows:

- Meeting of Unitholders to be held on at **10 a.m. on 27 November 2019** at 138 Market Street, CapitaGreen, #34-03/04, Singapore 048946.

- If a quorum<sup>4</sup> is present at the meeting of Unitholders and assuming the extraordinary resolution<sup>5</sup> is passed, the Sub-Fund will be terminated on the Effective Date. To determine the number of Unitholders and the total number of Units of the Sub-Fund as at the date of the meeting, such numbers will be based on the register of Unitholders as at **25 November 2019, 9 a.m.**
- If no quorum is present at the meeting of Unitholders, the meeting will be adjourned to **16 December 2019**. Notice of the adjourned meeting will be sent out on **29 November 2019**. Assuming a quorum<sup>6</sup> is present at the adjourned meeting and that the extraordinary resolution is passed, the Sub-Fund will be terminated on the Effective Date.
- Upon termination of the Sub-Fund, **Unitholders holding Eligible Units** will receive A3 SGD class shares of the Underlying Fund and **Unitholders holding Ineligible Units** will receive liquidation proceeds in proportion to their interest in the Sub-Fund.

## **Underlying Fund Documents**

Before making a decision, you should read the Singapore Prospectus of the Underlying Fund (the “**Underlying Fund Prospectus**”) carefully to understand the specific risks of investing in the Underlying Fund and consult your financial advisor to help you assess the suitability of the Underlying Fund for your personal financial needs.

An electronic copy of the Underlying Fund Prospectus and the relevant Product Highlights Sheet of the Underlying Fund is available at [www.janushenderson.com/sg](http://www.janushenderson.com/sg), and hard copies of the same may be obtained from our office, as well as from your distributor.

The Trustee, while expressing no opinion of the merits of the extraordinary resolution, has no objection to the extraordinary resolution being submitted to the Unitholders for their consideration.

You should note that neither the Manager, the Trustee or any of their directors are making any recommendation as to the advantages or disadvantages of the proposed termination of the Sub-Fund and the Automatic Exchange. Unitholders should seek their own independent advice on the consequences of the changes/proposed changes affecting their investment in the Sub-Fund.

If you have any queries, please feel free to contact us at +65 6813 1067 or your distributor.

We thank you for your continued support and look forward to serving you.

Yours faithfully,

### Product-Specific Risks

- You are exposed to derivatives risks.
  - The use of FDI involves certain special risks in relation to market volatility, liquidity of the FDI and the credit of the counterparty, and the value of the FDI may not necessarily correlate perfectly with the underlying investments. While some strategies involving FDI can reduce the risk of loss, they can also reduce the opportunity for gain or even result in losses to the Underlying Entity.
- You are exposed to property securities related risks
  - There are special risks associated with investment in securities of companies engaged in property markets. These include the cyclical nature of property values, increases in property taxes, changes in zoning laws, regulatory limits on rents, environmental risks, depreciation in the value of buildings over time, and increases in interest rates.
- You are exposed to securities lending risks.
  - The Underlying Entity may lend its portfolio securities to financial institutions and expose to the risk that the borrower defaults and fails to return the borrowed securities. The loaned securities may be secured by cash collateral that may be reinvested and may incur losses or underperforms relative to other investment options. Parties in a securities lending transaction may fail to comply, either inadvertently or purposely, with either contractual covenants or laws and regulations governing securities lending activities. There are also operational issues including market or exchange problems, miscommunication between lenders and borrowers regarding the terms of transactions between them, failed reconciliations, missed record dates, incorrect tax entitlements, etc.
