

BALANCED FUND

25+ years of equity and fixed income expertise in a one-stop core solution

Balanced Fund’s dynamic asset allocation strategy has the flexibility to defensively position ahead of market volatility while seeking strong risk-adjusted returns. Unlike many competitor products, where asset allocations are constrained by static targets, the Fund’s asset allocations may vary between 35% to 65% equities depending on market conditions.

Why this fund

Dynamic Asset Allocation

The Fund’s portfolio managers make allocation decisions based on their view of overall market risk and careful examination of individual security valuations across equity and fixed income markets

Integrated Research

Our equity and fixed income analysts work side-by-side covering the same global sectors, facilitating deeper analysis of a company’s fundamental outlook and understanding of management’s true intention

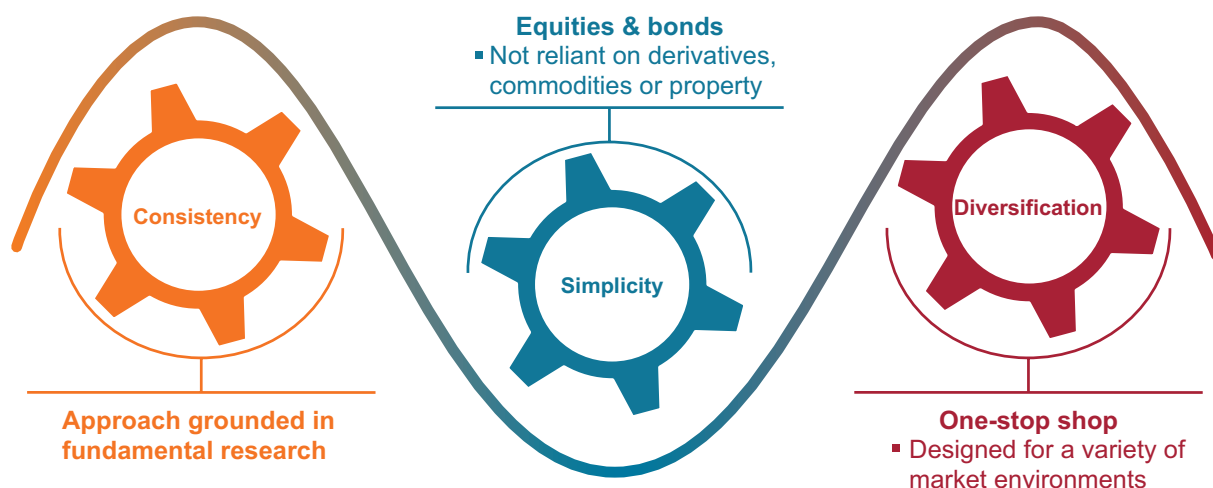

Seeks Consistent Results

The end result is a multi-asset, core holding portfolio offering the potential for long-term capital appreciation with the flexibility to navigate uncertain and volatile markets

The best of Janus Henderson’s US-based fundamental equity and fixed income research

Our integrated equity and fixed income research team seeks and optimal balance of asset class opportunities across market cycles.
